Transition Week

The week of 9/3-7 is Breezy's transition week. We will sadly be saying goodbye to our friends who are moving on, and welcoming some new friends. We will be sending out notices to the families whose child will be transitioning to the next group. If you have any questions please see Julia or April.

Save the Date

Fall pictures are Wednesday, September 25th and Thursday, September 26th at 9:00am by Gene Hutnak Photography.

Reminders:

- **Sunscreen-** Please be sure to apply sunscreen to your child in the morning. We are noticing many children coming in without any on. We reapply in the afternoon.
- Please wash all quiet time belongings the last day your child is here each week.
- **Water Bottles:** Please be sure to pack a refillable water bottle for your child every day. (Please label the water bottle). Teachers will refill the water bottle throughout the day. In keeping with Breezy Knoll's green initiatives, we are attempting to cut down on waste. With each child using a refillable water bottle rather than several plastic water bottles a day, we will greatly reduce the amount of trash we create.

Thank you!

Fall Reminder

We are now planning for the fall. If you need to change your child's schedule in any way, i.e. add/drop/change a day, please see Julia or April. We have very limited flexibility to add and/or change days. Please get back to us as soon as possible.

Miss Alexa and Miss Meghan are back off to college in the fall. We want to wish them all the best and can't wait for them to return to Breezy Knoll next summer!
