

Breezy Knoll Child Care Center

July 2020 Newsletter

We made it through the month of June! Hopefully all of our families are getting used to our new drop off and pick up procedures. We sure are!

Dates: **BKCCC CLOSED Friday 7/3** to observe Independence Day

Saturday 7/4 Happy 4th of July! We would like to wish all of our families a safe and happy 4th of July! Enjoy your long weekend with your loved ones!

New updates from DHS: On June 29th, Breezy Knoll was able to return to our normal ratios in each classroom! All of the other guidelines are still status quo during Phase 3.

Friendly reminders:

- Please do not forget to sign your child in BEFORE you arrive at Breezy Knoll each morning. This helps us with a speedy drop off.
- If you do not see us in the front doorway please call us to get your child.
- If you have multiple children please call us a minute before you arrive so we can have both children ready for you when you pick up.
- Please come to the bottom of Breezy's front stairs when picking your child up.
- Send in water clothes (bathing suit, towel and water play shoes) daily. Let your child's teacher know if you would like them sent home daily or weekly.
- Please put sunscreen on your child in the morning. We reapply in the afternoon.
- Please label your child's extra belongings.
- If you have any fun summer time books that your child would like to share during story time please send them in! Their teacher will be happy to read them to their group!
- Please pay your tuition the Friday before each week.
- Let us know if you would like to change up your child's sensory bin.

Fall rosters: If you are planning on sending your child for more or different days in the fall please let us know so we can reconfigure our roster.

Summer Vacation: If you are going on vacation this summer during your child's scheduled days please let us know in advance. This will help us with staffing purposes. As stated in our Parent Handbook, you are still responsible for tuition.

Families who haven't returned yet: When we closed in March, it was so sudden and many items were left behind. Please call and see if your child has any belongings here at Breezy- extra clothes, portfolios, diapers or a quiet time bag.

Families who aren't holding a spot for the fall: We are filling up and are taking in new families at this time.
