Fall Reminder

We are now planning for the fall. If you need to change your child's schedule in any way, i.e. add/drop/change a day, please see Julia or April. We have limited flexibility to add and/or change days. Please get back to us as soon as possible.

Thank you!

Reminders:

*Please be sure to sign your child in and out on a daily basis.

*We ask that you check your child's cubby and mailboxes daily for materials to take home. We have noticed many overlooked items. Your interest reinforces to your child that the time spent at Breezy Knoll is important.

*Remember to wash all quiet time items weekly.

PICK UP/DROP OFF

When dropping off or picking up your child, we urge you to not leave any child unattended in a vehicle outside. **Also, for safety reasons, please escort your child into Breezy Knoll.** If you need assistance someone will gladly help you with your children. If you expect to be more than a few minutes inside, please try to park where you will not block another parent who may be in a hurry. **And, please don't park in front of the mailbox. We are unable to receive our mail delivery if there is a car blocking the mailbox.** We strongly request that you do not leave your car running when you enter the building. This creates a potentially hazardous situation for others outside, and the fumes are unpleasant and unhealthy to inhale.

Lost & Found

Our lost & found is located under the fish tank in the front hallway. It is starting to get very full. Please be sure to check for any of your child's lost belongings.
