Transition Week

The weeks of 8/27-9/7 are Breezy's transition weeks. We will sadly be saying goodbye to our friends who are moving on, and welcoming some new friends. We will be sending out notices to the families whose child will be transitioning to the next group. If you have any questions please see Julia or April.

Toddler Reminders

- Please be aware and check your child's daily notice if they are in need of diapers.

Breezy Knoll's **Diaper Policy** from our Handbook page 1:

DIAPERS AND WIPES Parents shall provide diapers for children not yet toilet trained. A note will be left in your child's cubby when his/her supply is low. Wipes shall be provided by the center.

DIAPER FEE \$1.00 per diaper will be charged when Breezy Knoll has to supply diapers for your child.

- Please check the parent board located next to the door for special reminders and information.

Our summer floaters Alexa and Meghan are off to their first year of college in the next few weeks. We want to wish them all the best and can't wait for them to return to Breezy Knoll next summer!

Updated Immunizations

If your child has been to their annual visit at the doctor, please be sure to provide a copy of their updated immunizations. Thank you!
