Reminders:

- If you have not yet done so, please register with Julia for your child's summer/fall schedule. (At bottom of this page)
- Please be sure to keep your child's toys at home. We have been noticing that if toys are brought in, they cause a distraction to the classroom. Breezy Knoll has plenty of activities, play materials, toys and learning centers. Your child is welcome to bring an item in on designated "show & tell" days.

Thank you!

March Fundraiser Pennies for Patients

BRING THE CHANGE is a fun and interactive spirit week that benefits The Leukemia & Lymphoma Society. BRING THE CHANGE is a progressive coin drive with each day focusing on a different spirit-wear item and coin. Monday, **March 6th**, children can wear pajamas and bring in pennies. Tuesday, **March 7th**, children can dress in their brightest colors for neon nickels day. Wednesday, **March 8th**, is dazzling dimes day when children wear their shiniest bling. Crazy quarters day is Thursday, **March 9th**, with children wearing crazy hats and socks. Friday, **March 10th**, is wear your favorite jersey or school colors (red & white) and bringing in all coins and dollars. Our goal is \$500.00. Schools that donate over \$500.00 will receive a gift card to purchase books for their school.

PLANNING PURPOSEFUL PLAY ACTIVITIES As you plan activities with your child, here are some questions to think about: Developmental Level: Does this activity build on something my child already knows so he/ she can experience success? Will it challenge my child to learn new skills without frustrating him/ her? How can this activity be changed so that all family members can participate? Interests: Does the activity involve something that interests him/her? Does it introduce my child to something new and different? What types of activities do we enjoy doing together? Is this an activity we would like to do together as a family? The Way My Child Likes to Learn: Does this activity take advantage of the way my child likes to learn? Does it help my child to discover a new way of learning?
