- * Appeal to children at more than one age or level of development.
- * Are not linked to video games, TV, or movies.
- * Can be used with other toys for new and more complex play.
- * Will stand the test of time and continue to be part of play as children develop new interests and skills.
- * Promote respectful, non-stereotyped, nonviolent interactions among children.
- * Help children develop skills important for further learning and a sense of mastery.
- * Can be used by children to play alone as well as with others.
- * Can be enjoyed by both girls and boys.
