Reminders

- Please note that Breezy Knoll will be closed on Monday, October 9th to observe Columbus Day. During weeks when school is not in session, please be reminded that Breezy Knoll is open our normal hours.
- Please send a jacket or a sweatshirt each day for your child to wear in the morning to play outdoors. The afternoons are warm, but the mornings are very cool.
- Please remember to replace your child's summer spare clothes with those suitable for fall. **LABEL** with name.
- Be sure to check out the Family Information Board in each of our classrooms.
- Please check your child's mailbox daily.
- Please send in any updated immunizations.

We celebrate our 29th year on
October 24!

Happy Birthday Breezy Knoll!

1988 - 2017

Parent-Teacher Night

On Thursday, October 5th, Breezy Knoll will host a Parent/Teacher Night from 5:30 -6:30 pm. Parents will be greeted at the door and directed to their child's classroom. The teachers will display curriculum activities and will be available for any questions. Because of time constraints, we ask that you kindly limit conversations to about five minutes. If you need more time, please schedule an appointment for a personal conference. As always, this evening is planned for adults only. Hope to see you then!

PUMPKINS

During October, each group hopes to carve a jack-o-lantern. We are asking one family from each group to donate a large pumpkin. The Pre-K group and the Honeybees group will need two pumpkins per classroom. If you wish to do so, please see your child's teacher. Thank you!

We have a new member to our Breezy girls. Welcome Madeline!

Sign a Sign

Deb Fontaine will be coming in on Tuesdays every other week to teach the Pre-school and the Pre-k classes Sign Language. The cost for each class is \$5.00. This will start on 10/17.

Sing a Sign is a Sign Language Program for hearing children which is taught through songs, games, rhymes and fun! The children are taught the sign language alphabet, animals, family members, colors, simple sentences, finger spelling, introductions, their names and more.

There are many benefits of a hearing child learning sign language; memory, brain growth and development, stimulates formation of brain synapses, benefits ADD and dyslexic children, early spelling, reading, focus and concentration... and its fun!

Each class the children will take home a paper with the new sign they've learned. They also will review previous signs they've learned during class in addition to our new sign through songs, games, rhyme and fun.
